Oliver Feher

Raleigh, NC | *850-460-4591* | oliver92.feher@gmail.com | [GitHub](#) | [LinkedIn](#) | [oliverfeher.com](#)

Versatile front-end engineer with a passion for building, teaching and learning. Experience in JavaScript, Python, Java, Ruby on Rails, React, Redux, React Native, AWS and a strong background in Computer Science and Information Technology. I enthusiastically bring strong skills in team-building, communication, debugging, data analysis and leadership that help progressive companies succeed. My CS/IT background, along with my creativity and passion for programming are leading me to continuously learn and explore new technologies.
